

FENG SHUI DESIGN QUIZ

Do you love all of the furniture and art in your home?

Does the art and decorations in your home inspire you?

Do you and your children go to sleep easily and waken feeling rested?

Is everyone doing well in school and at work ?

Do you feel comfortable and at ease in your living room and bedroom?

Are you inclined to sit down and eat your meals at a table?

Do you experience chronic issues in any of your relationships?

Does anyone argue or have emotional outbursts in the same place in the home?

Do you have exposed blades of knives in the kitchen?

Are there any “water walls” at the head of any beds?

Do you have any art or objects you inherited that is unappealing to you?

Do the colors in your home repeat and related?

Do you have all five elements represented in each room of your home?

Objects, colors and shapes around us affect us on a conscious and unconscious level.

With time they can deeply impact all areas of our life. Using the art of Essential Feng Shui, and intuition we review your home or office and immediately give you practical, cost-effective solutions for the nine major areas in your life, to ensure you are aligned with your most optimal physical and spiritual well being. If you are ready to increase your financial resources, enhance your career, relationships, health and general well being, contact us and get started with a Home Evaluation.
